

Practical Christianity

Dr. Quisenberry has an idea that if christianity is not practical, it's worth very little. He believes that the gospel appeals to body, mind and soul. That the ministry of the church is three fold, and its mission is to minister to mans every need. Many have caught his spirit and are asking him to point out those who may be in need of help. The requests are so numerous, that he has decided to open the doors of his church for the receipt of food, clothing money and in fact any thing that may be used to relieve the poor and suffering. Many of the good people in the country have expressed a willingness to send dressed turkeys, hens and chickens, meat etc. One man has promised to send a whole pig. Dr. Quisenberry has asked the ladies of his church and congregation to help in this work. Donations of toys will be gladly received. Any clothing that may be altered will be gladly made over and placed where it will do most good. The gifts of the people will be carefully distributed regardless of class or condition. Baskets and bundles will be carefully made up and delivered on Wednesday, Xmas eve. If you want to help in this work, call Dr. Quisenberry by phone or write him saying what you wish to do. If you know of a case of need call his attention to it. He desires anyone in want or in trouble to come to him promptly. If you wish to be really happy, suppose you lend a hand in this splendid work of love. Do it now.

P. S. All donations must be in on Tuesday the twenty-third. Tell Dr. Quisenberry right now what he may expect from you. Drop him a card, or call him on the phone.

The usual Christmas german of the Richmond Cotillion Club will be danced December 26, at Masonic Temple, and will be led by Mr. Edwin Stockton.

Mrs. Dan Chenault entertained the Married Ladies Bridge Club at one o'clock luncheon on Saturday. The table was especially pretty with centerpiece of carnations. An appetizing menu was served in courses.

Miss Elizabeth Turley entertained very delightfully on Saturday evening the German Club of the Normal School. The programme was under the direction of Madam Piotrowska and was very interesting. About ten young people were present and a most pleasant evening was spent.

SMITH-MURRAY

Mr. David H. Smith, of Berea, and Miss Laura Murray of Kingston, were united in marriage at the home of the officiating minister, Dr. H. N. Quisenberry, on Woodland Ave. on December 4th, 1913. The happy young people were attended by a few near relatives and left at once for a short wedding trip. Congratulations, and all good wishes.

TEACHERS ENTERTAINED

Mr. and Mrs. John Arnold entertained the teachers of the Christian Church, on Tuesday evening in their usual hospitable way. The meeting was well attended and was of much interest. Mrs. G. W. Pickels read a paper on the "Aim and Purpose of the Sunday School," which was one of the finest things yet heard at these meetings.

Mrs. Pickels is an original thinker, and her name on the programme is a guarantee of quality.

CECILIAN CLUB

The Cecilian Club was entertained on Wednesday afternoon by Mrs. J. H. Dean.

The subject was Russian Composers, and the programme was unusually fine. Those who gave instrumental numbers were: Mrs. S. J. McGaughey, Mrs. M. C. Kellogg, Mrs. Hoskinson and Miss Emma Watts. Two interesting papers were given by Mrs. J. R. Johnson and Miss Helen Bennett, and Mrs. T. D. Chenault contributed a beautiful solo.

Miss Maude Wilson the daughter of Mr. and Mrs. L. T. Wilson of this city was married to Mr. J. A. McDowell, of Jackson Co. on Thursday evening, at seven o'clock at the home of Judge Rice. The ceremony was performed by Rev. Tindler of Lancaster.

Miss Wilson is a grand daughter of the late Capt. Jno. Wilson of the 8th Ky. Infantry who was the hero of Lookout Mountain.

Mr. Jackson is a valued employee of the L. and N. and has many friends. After a short bridal trip the couple will return to Richmond to make their home.

THE PRANDENNIAL CLUB

The Club met last Saturday night with Mr. L. B. Herrington and sat down to a bounteous feast. A lively discussion was enjoyed on the subject of uniting with another club of the town, but the preponderance of evidence showed that the Prandennial had a field of its own, and that it would be difficult for it to amalgamate with any other. Those present were Messrs. Vaughn, Turley, Harvey, Chenault, Bennett, Weisenberg, Barnes, Lilly, Crabbe, and Herrington.

It was also decided that this should be a club for relaxation, not for agitation, perspiration, or reformation, save as circumstances should suggest. The aim is to be helping in any way, but no effort will be made to assist congress in deciding what is the best policy concerning the Panama Canal or how soon a railway should be built to the moon. The next meeting will be held with Mr. Dean, and the subject will be "What should be our duty to unfortunate at the Christmas season."

We have received at this office the following beautifully engraved announcement:

Mr. and Mrs. Henry D. Rayburn announce the marriage of their daughter Mable to Mr. Jephth Jett on Wednesday, December the tenth one thousand nine hundred and thirteen Richmond Kentucky

Miss Rayburn is a daughter of Mr. and Mrs. Henry Rayburn of this county, and is one of our most accomplished and attractive girls.

She was of the class of 1913 of Madison Institute and graduated with high honors. Mr. Jett is the youngest son of Mr. and Mrs. Shelby Jett and is a young man of sterling qualities. The ceremony was performed by Dr. E. B. Barnes at the home of Mr. L. M. Scrivener in Burnamwood, in the presence of the immediate family and a few friends. Miss Elath Buchanan and Mr. Spears Turley were the only attendants. After a short bridal trip the young people will return to this county where they will make their home. With numberless friends, we offer cordial congratulations.

CLOTHING! CLOTHING! CLOTHING!

Probably

The greatest Clothing offering for the people of Richmond, Madison county, and adjoining counties, will commence at the great

Busy Bee Cash Store

Saturday, November 8

and continue for 30 days, or until our entire clothing stock has been closed out.

Our stock of clothing was never more complete than now. Everything in the clothing department is strictly up-to-date. All the new weaves, styles and colorings in favor this season comprise this big stock of clothing—Men's, Young Men's, Boys' and Children's Clothing in endless variety.

We have decided to close out our clothing stock, lock stock and barrel. We need the room for our ladies' ready-to-wear department, which is growing to such an extent that we are compelled to make more room for it. So the clothing end of our business must go.

Everybody in this city and county who has purchased clothing from us can testify to the high grade of clothing we sell. They can also tell you that our prices are always cheaper than the same quality can be had elsewhere. We have decided to give these same low prices for 30 days, and in addition we propose to give one-fourth the price off on every purchase made in the clothing department during this time.

If you need an up-to-date fall and winter suit for yourself or any of your family; if you need a first-class Overcoat for yourself or your boy, come and look at this great stock of up-to-date clothing and figure what you will save by getting

1/4 OFF

each clothing purchase.

Don't overlook this offer. Don't pay more for clothing not as good. Money saved is money made. This is a chance you don't often get, coming right at the time you need the stuff, and right at the time when they are all fresh and new.

Remember this great clothing offering begins Saturday, November 8th, and closes in 30 days. Don't forget! Come!

RESPECTFULLY,

W. D. OLDHAM & CO.

Kentucky Utilities Co., Inc.

To The Tobacco Growers:

Sales Season of 1913-14 is Now On

Our daily average to date is better than 14 Cents

Having installed every known device to facilitate the handling of the tobacco from the time it comes off the wagon until it goes on the cars, we are better prepared than ever to handle your crop.

Several of the largest buyers on this market will handle and prize their purchases at our plant. The fact is, it is much cheaper for these men to handle their tobacco at the Madison Tobacco Warehouse because of the connection with the railroad, and our viaduct connecting the sales house with the pricing department does away with any wagon haul. We guarantee to every grower the very best price. Thanking you for your past patronage and soliciting same in the future, we are,

Respectfully,

Madison Tobacco Warehouse Co.
